Dear Parent(s)/Guardian(s)/Student(s):

As a result of the current state budget crisis in Pennsylvania, please be advised that although Governor Rendell's proposed budget has approximately \$10 million allocated for the continuation of the state Dual Enrollment Grant Program, the budget, as of this time, has not been approved by the state legislature.

In light of this current situation, I want to advise you that it is still the intention of Nazareth Area High School to apply for, and receive dual enrollment grant funding for the 2009-2010 school year once the final state budget has been approved. However, as of this time, this has not occurred.

If the state budget changes and dual enrollment grant funding is reduced or eliminated, this will affect your opportunity to receive reimbursement for any dual enrollment classes that have been completed, as the District will not fund the program. Hence, I want to advise you that at this point in time, there is no guarantee that you will receive any reimbursement for the 2009-2010 school year. Conversely, there is also no indication that you will not receive any reimbursement for dual enrollment courses.

I feel that it is my obligation to advise you of the current circumstances and the potential affects that the state budget outcome may or may not have on the dual enrollment grant funding.

Please feel free to contact me if you should have any questions.

Sincerely,

Alan Davis
